**SECOND SUPPLEMENTAL RESPONSE TO RESTRICTION REQUIREMENT  
AND RESPONSE TO COMMUNICATION OF AUGUST 25, 2006**

Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This supplements and replaces the response filed May 31, 2006 in reply to the restriction requirement set out in the Office Action mailed May 11, 2006 in the above-identified application. Moreover, this is responsive to the Communication mailed August 25, 2006.

PATENT  
450100-04868

Applicant's representative elects, with traverse, the claims of Group IV. This traversal of the May 11, 2006 restriction requirement is based on the contention here that the claims of Group V should be examined with the claims of Group IV. Stated otherwise, Applicant requests a revision to the May 11, 2006 restriction requirement to join Group V claims 38-50 and claims 61-73 into Group IV.

It is respectfully submitted that the claims of Group IV and the claims of Group V are directed to the same invention, claimed, however, from different points of view. Claims 29-37 and 52-60 are directed to remotely determining the configuration of a multi-media computer, but from the vantage point of the remote location. Claims 38-50 and 61-73 are directed to remotely determining the configuration of a multi-media computer, but from the vantage point of the multi-media computer. In all other respects, the two groups of claims are quite similar -- compare claim 29 to claim 38, for example. This similarity would impose no burden on the Office to examine all of claims 29-50 and 52-73 together, in one application.

An examination on the merits of claims 29-50 and 52-73 is respectfully solicited.

Respectfully submitted,  
FROMMER LAWRENCE & HAUG LLP
